A TRN is a statement of work prepared by the Government to which the Prime Contractor submits a proposal to the issuing Ordering Officer (a duly warranted Contracting Officer whose warrant authorizes purchases from the GSA Schedule and is referred to herein as on Cro. ring Officer) in accordance with the terms and conditions of this BPA and the GSA Schedule. Once negotiated, a task order is issued using either a Standard Form (SF) 1219 or a Department of Defense Form (DD) 1155. In the event of contradictions between this BPA and a task order, this BPA shall prevail.

Purchase of materials, hardware and software incidental to a specific task and necessary to the performance of that task is allowed. ODCs cannot be greater than 20% of the total task order price unless approved on a case by case basis by the SPAWAb. Contracting Officer.
